Dear Sir:

This is in response to the Notice of Allowance and Fees Due mailed April 14, 2010, with a statutory period set to expire on July 14, 2010. With regard to the Examiner's statement of reasons for allowance, while Applicants believe that the claims are allowable, Applicants do not acquiesce that patentability resides in each feature, or a single feature, as exactly stated by the Examiner, or as exactly as expressed in the claims, nor that each feature is required for patentability. Applicants believe that there are additional reasons that the claims can be distinguished from the prior art, other than the reasons stated by the Examiner.

Respectfully submitted,

Gregory S. Kelley
By his attorney,

Date:

June 4, 2010
